Prompt: Design a set of business cards in pages for a dental practice.

The Dentist from High Desert Dental (HDD) loves the new logo and now wants you to design essential marketing for his practice. He provided you with all the information you need to get started.

CLIENT NOTES

- ✓ Front face of the Business Card should be solid blue with a big HDD logo
- ✓ The back should be clean and modern, he wants his name to be prominent
- ✓ He wants a QR code on the back that points to his website
- ✓ He wants a general business card too
